

If from an EU member country or from a third country, you introduce packaged products into the Spanish market without having an establishment in Spain, **we act as your AUTHORIZED REPRESENTATIVE** through:

#REPRESENTA

fulfilling, on your behalf, the obligations of the Extended Producer Responsibility according to the applicable regulations on packaging and packaging waste.

SERVICES

Management of prerequisites

for obtaining the CIF (Tax Identification Code) and digital certification.

Information and control

through registration in the Registry of Product Producers.

Freedom to operate in Spain

with the registration number in invoices/doc.

Transparency

in annual declaration of packaging placed on the market.

Participation in compliance with the objectives

guidance on prevention and eco-design plans.

Distribute your Responsibility

Selection of an Extended Producer Responsibility Collective System (EPRCS or SCRAP in Spanish).

Continuous compliance and projection

legal-technical accompaniment in its relations with SCRAP, Administration and other interlocutors.

International coverage

support offices in all EU States, and other countries.
